

Building a Blueprint for Change

A Night for Families

Featuring nationally renowned author

Dr. Al Condeluci

CEO, United Cerebral Palsy of Pittsburgh

**FREE
PRESENTATION**

Dr. Condeluci will focus his talk on thinking outside of the box:

- How to develop services and supports for your family member with a disability.
- The future and how services are delivered.
- How you can help individuals be successful in their community.

We are all interested in our family member living in a community where people who experience disabilities have an opportunity for homes, jobs and lifestyles of their choice.

Date: March 10, 2010
