

CASE: Center for Autism Support and Education presents...

Social Skills Fall Seminar

FREE information for families of individuals with Autism Spectrum Disorders (ASDs)

- Would you like to learn ways to improve the social skills of your child with an ASD?
- Do you want information to improve school partnerships?

Join other parents for these enlightening workshops...

Autism Spectrum Disorders: Social Interventions for Home & School - Presenter *Dr. David Meichenbaum, Summit Educational Resources*

Special Education: What's it all about? - Presenter *Stacie Ricioppo, Program Specialist for Parent Network of WNY*

At this seminar, participants will learn:

- The social challenges that ASDs present in both children and adults
- Social skills strategies to use at home, in school and within the community
- About the special education process
- Ways to be part of an effective team at Committee on Special Education (CSE) meetings
