

CASE: Center for Autism Support and Education presents ...

An Evening with Dr. Michelle Hartley-McAndrew

FREE information for families of individuals with Autism Spectrum Disorders (ASD)

- Would you like to know more about Autism Spectrum Disorders?
- Do you suspect your child, family member or friend may have an Autism Spectrum Disorder?
- Would you like to know more about Autism resources available in the community?

Dr. Michelle Hartley, a child neurologist and Medical Director of The Children's Guild Foundation Autism Spectrum Disorder Center at Women and Children's Hospital of Buffalo, will discuss symptoms, behaviors, diagnosis and treatment of autism spectrum disorders and how you can be an informed family member. Theresa Drum, from Parent Network, will share communication tips and provide information about available resources and services. Find out who you can call for help and learn more.
