

CASE: Center for Autism Support and Education presents ...

Co-Occurring Diagnoses with Autism Spectrum Disorders (ASD)

FREE information for families of individuals with Autism Spectrum Disorders (ASD)

- Do you have a child with an Autism Spectrum Disorder (ASD)?
- Does your child with ASD also have another diagnosis?
- Are you confused by all of the labels?

Join us for this informative workshop.

*A video featuring **Dr. Christine Oliver** will be presented at the Grand Island Special Education Support Group. Those who attend will learn to identify and understand some of the common co-occurring diagnoses found in individuals with Autism Spectrum Disorders (ASD) The video will also look at the multiple diagnoses often attached to ASD.*
