

# Time Management

- Are you an MSC, MSC Supervisor, family member of an individual with a developmental disability or a self-advocate?
- Do you feel that you could be better at managing your time?
- Would you like to get tips and strategies to improve your time management skills?

*This workshop will challenge participants to examine their current time management and prioritization practices and encourage the development of new habits to better master the time available. Participants will receive a workbook that can serve as an ongoing resource and development tool.*
